

# US EPA Pretreatment Webcast Series

## The Pretreatment 101 Series: Industrial User Waste Survey Procedures

September 21, 2010

---

## Resources Page

---

### Effluent Guidelines Information

- **EPA's Effluent Guidelines.** Website regarding industrial effluent guidelines. Links to industry-specific documents such as development documents and preliminary data summaries.  
<http://water.epa.gov/scitech/wastetech/guide/index.cfm>
- *Electronic Code of Federal Regulations (CFR).*  
<http://ecfr.gpoaccess.gov/cgi/t/text/text-idx?c=ecfr&tpl=%2Findex.tpl>

### Guidance Manuals and Websites

- *Industrial User Inspection and Sampling Manual for POTW's*  
This manual is intended to acquaint POTW personnel with the well-established inspection and wastewater sampling procedures which have been used in the NPDES program for many years. The information presented will guide the POTW inspector by providing a framework for conducting inspections and wastewater sampling.  
<http://www.epa.gov/npdes/pubs/owm0025.pdf>
- *Industrial User Permitting Guidance Manual*  
Guidance for POTWs on the development and issuance of effective permits to industrial users of their sewer systems.  
<http://www.epa.gov/npdes/pubs/owm0017.pdf>
- **Envirofacts.** EPA website that provides the public with a single point of access to data contained in EPA's databases. Interested parties can search EPA databases online for information on facilities across the United States collected from regulatory programs such as RCRA, EPCRA, Superfund, Clean Water Act, and Clean Air Act
